

Palliative Pain & Symptom Workshop

The EZPCP offers a one-day workshop that focuses on the care of the palliative patient. The learning format is lecture based, with inclusion of case studies and encourages an interactive environment for active learning. The topics presented include: pain, dyspnea, GI complications, depression/anxiety/wellbeing, delirium/palliative sedation and end-of-life care. The topics are presented with a focus on nursing setting in community and acute care practice.

How To Register:

*Non AHS Employees can register by visiting www.palliative.org and completing the Palliative Pain & Symptom Workshop registration form and email it to: info.ezpcp@ahs.ca
